Music Unique to The Music Man is the opportunity to decide exactly how involved in the music you are:

- You can choose the most important songs of the evening and leave the rest up to me; or
- You can select from a list of 100 all-time favourites and add your special requests to that list; or
- You can do The Music Man Questionnaire from which I will generate you a personalised play list

Leave the above blank if you wish to discuss any particular musical issues or requirements that you may have

Other events Please list any other people/events you would like recognised on the day (birthdays/anniversaries):
